

LINKEDIN LEARNING LOCAL UNION CURATOR APPLICATION

Local Union Curator permissions are issued at an individual user account level in LinkedIn Learning and cannot be transferred to a new Curator later if the Local Union Curator account is created under a personal email address. The local's designated Curator should keep the Local Union Curator account and their personal LinkedIn Learning account separate with different email addresses and login credentials, and they should not connect the Local Union Curator account to their personal LinkedIn profile. We recommend that the local's designated Curator use an email address associated with a position at the local. If you are unsure what email address to use, please [contact us](#).

The local union president, secretary treasurer, BA, or training coordinator must complete and sign this form. The officer completing and submitting this form must be an officer other than the individual listed as the designated Curator on this form. Email the application to lil@iatsetrainingtrust.org.
